PROFESSIONAL EXPERIENCE:

University of Texas Coding Boot Camp - Houston, TX

Student Developer   **(January 2018- July 2018)**

• Adapted to a fast-paced environment , learning how to use logic and "think like a developer" to tackle new technologies.
• Coordinated and collaborated in group projects of 4-25 developers using Agile methodologies acting in coding and managerial positions
• Created challenging applications requiring detailed specifications to be completed within a given time-frame
• Utilized 40+ hours outside of lecture per week to optimize JavaScript skills, study data structures/algorithms , and review class material.

United Fire Group Insurance- Houston, TX

Claims Representative   **(November 2015- March 2018)**

• Conduct thorough investigation of claim losses through interviews, gathering of data/documentation, and acquiring evidence.
• Evaluate anticipated costs, potential subrogation /suspicious activity.
• Establish and maintain accurate reserves according to claim facts.
•Utilize reserves to analyze and apply coverage to both medical and indemnity benefits.
• Keep documentation and prepare timely reports of the file pursuant to company guidelines
• Develop strategy and negotiate claims to a timely conclusion based upon analysis of the facts, laws, policies, and procedures.

EDUCATION:

University of Texas - Houston, TX   **July 2018**
Full- Stack Software Development Certificate

A rigorous 24-week dynamic, full-stack program that instills the skills needed to build professional web applications and gain proficiency in the theory of web development using the most current technologies.

Texas A&M University- College Station, TX   **August 2015**
B.S Sociology *concentration in Public Health*

Studied the philosophy and methods of analytical procedures including research design and evaluation of data. Used various sources of qualitative and quantitative social data along with statistical data analysis software like Stata, IBM SPSS , and Excel to create research reports.

Workers Compensation Claims Law Associate   **July 2016**
